Department of Economics, Maçka, Beşiktaş, 34367 İstanbul
+90 537 694 1293; stoeffler@itu.edu.tr

EDUCATION

- 2014 Ph.D. in Economics, Virginia Tech.
Field: Development Economics, Econometrics.
Dissertation title: “Three Essays on Poverty in Sub-Saharan Africa: Multidimensional Poverty Change in Zimbabwe; Targeting Efficiency of Social Protection Programs in Cameroon; and Long-Term Impact of Cash Transfers in Niger”.
- 2009 M.A. in Development Economics, Sciences-Po Paris.
- 2007 B.A. in Geography, Paris-1 University (Panthéon-Sorbonne), with honors.
- 2006 B.A. in Literature, Paris-10 University (Nanterre) and Lycée Lakanal.

PROFESSIONAL EXPERIENCE

- 2016-present **Assistant Professor**, Department of Economics, Istanbul Technical University.
- 2014-present **Post-Doctoral Scholar**, Department of Agricultural and Resource Economics, University of California, Davis. Global Action Network on Index-Based Insurance project. PI: Michael Carter.
Conducted conceptual and applied research on index insurance to inform a global network of research and policy partners. Lead ex-ante and ex-post assessments of insurance programs in Burkina Faso and Kenya and wrote policy briefs and academic articles. Started independent, collaborative research projects in Burkina Faso and India.
- 2011-present World Bank **Consultant**, Social Protection Unit of the Africa Region. As part of a team, conducted the impact evaluation of the Niger and Cameroon Social Safety Nets pilot projects: evaluation design, survey implementation, data analysis and writing & dissemination of results through workshops and conferences. Conducted targeting ex-ante and/or ex-post assessments in Burkina Faso, Cameroon and Senegal. Assisted local teams in the implementation of these projects.
- 2010-2011 **Teaching Assistant**, Agricultural and Applied Economics, Virginia Tech. Courses: “Introduction to macro-economics” and “Environmental and sustainable economics”.
- 2009-2010 **Language Lecturer**, French Department, University of St-Andrews, Scotland. Taught French and History classes to 150 undergraduate students each semester.
- 2008-2009 **Research Intern**, IRD: Six month fieldwork with the Development Research Institute (IRD) and Centre de Recherche en Santé de Nouna (CRSN). Conducted research on agricultural production and trade in Nouna, Burkina Faso. Designed and administered quantitative survey, organized focus groups and qualitative fieldwork.
